

## F.A.Q ( Frequently Asked Questions ) about *Secrets By Jp*

### **I have just heard of *Secrets By Jp* -- how long have you been around?**

We officially started doing business in October 2019 and our website went up on October 29, 2019.

### **How do I apply the cream?**

#### **DIRECTIONS:**

Smooth on face with gentle upward and outward strokes. Apply 2-3 times daily or as needed during the day as a moisturizer, make-up base, or night cream. Especially useful to correct the drying effects of sun, wind and weather. Reapply to delicate areas under eyes and around eyes.

### **What does *Secrets By Jp* cream contain/ Any harsh chemicals?**

#### **Key ingredients:**

Aloe Vera, Antioxidant Vitamin C, Chamomile, Collagen,  
Hyaluronic Acid, Retinol, Vitamin E,

Only good ingredients that are known to nourish the skin

### **How soon will I start seeing results by using *Secrets By Jp* cream?**

Some people see results the first time they use the **SECRET By Jp** Cream, and everyone tells us that their skin feels different right away. The skin feels, clean, smooth, hydrated, and reflects a new level of health that's visibly noticeable. If the skin has more advanced long-term needs, such as treatment of skin aging, acne or hyperpigmentation caused by hormonal fluctuations or sun damage, results may not be immediately visible; however, skin health will continue to improve as you use the cream within the first 30 days and your skin will continue

to improve as you use it more and more, during the morning, day, and night and as part of your home care regimen.

### **Does *Secrets By Jp* test on animals?**

No, we do not engage in animal testing, nor do our Secret formula contain animal-derived ingredients.

### **Does *Secrets By Jp* contain SPF?**

Unfortunately, in order to not change the fragrance or dilute the quality of our ingredients, NO we do not add SPF/ **Sun Protection Factor**. We do recommend you still use an SPF of 15 or higher if going outside for long periods of time and applying it at least 30 minutes after you first have applied ***Secrets By JP*** cream.

### **Who is the creator or person, who came out with the *Secrets By Jp* cream?**

The creator of this cream is John Paul Padilla. He is an ex-model and dancer and his experience and knowledge of the fashion industry and beauty products is what lead him to this secret cream over 20 years ago.
